Junior European
Cup 2017
Fürstenfeld - Austria

Bulletin 2 (update July 2017)

The event:

We are happy to be able to host the JEC 2017 in Fürstenfeld. The orienteering club Fürstenfeld has already organised a series of national competitions and is known internationally by its „Thermenland Open“, which has been organised on a regular basis since 2003.

Fürstenfeld is the capital of the so-called „Thermenland“ and is situated in the southeast of Austria. Numerous spas around Fürstenfeld invite you to relax and have a wellness holiday.

The competition centre is in the Youth- and Family Guesthouse of Fürstenfeld, where all athletes are also accommodated (<https://www.jufa.eu/jufa-fuerstenfeld-sport-resort>). The competition centre lies within walking distance to two races (sprint and relay). The long distance race takes place within the close surroundings of Fürstenfeld.

Until 11th of August 2017: 195€ pp

Until 1st of September 2017: 215€ pp

We kindly ask for entries using the preliminary entry form as soon as possible to: evakailbauer@yahoo.de

For arrival earlier than Friday please see information “Early arrivals” on the homepage.

Full entry details incl. names, SI-numbers and start blocks until September 15th, 2017. A separate entry form will be released.

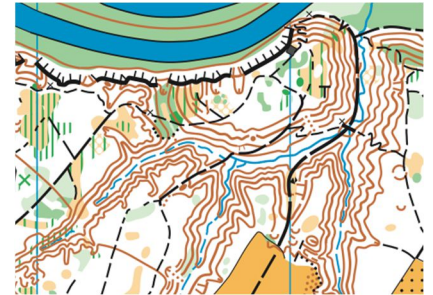

Timing:

SPORTident, Touchless (Sportident Air+) or manual punching. SIAC can be rented. Please let us know the number of needed SIACs by no later than September 15th 2017.

The terrain:

All mentioned competition areas are as of immediately embargoed areas.

For the relay it is planned to use the area around the outdoor pool of Fürstenfeld (Buchwald). The recreational area around Fürstenfeld is characterised by numerous paths and fine details. map scale: 1:7 500 (new)

The long distance race takes place about 5km from Fürstenfeld. The map "Commendewald" from the year 2012 has been revised and enlarged towards the West. The revision was made by the renowned Hungarian mapmaker Gabor Toth. The terrain varies from detailed, deep ditches to flat, faster passages that still need precise orienteering. map scale: 1:10 000

The sprint takes place in the city of Fürstenfeld. Due to the „Festungsweg“ there will be interesting route choices within the historical city centre. map scale: 1:4000
It is forbidden to enter the city of Fürstenfeld after midnight on Sunday, 1.10.2017.
